# MISSION STATEMENT

## **Mission Statement**

We exist to equip the members of God's family to extend Christ to the whole world.

## **Purpose Statement**

To equip students for a life to be lived for Christ and to educate the whole child.

## **Core Values**

If we had to give up everything else, we wouldn't give up these:

- What is important to God is important to us – We try not to spend our time on things that God would not consider a high priority.
- Our focus is external as well as internal – We serve one another in ministry and those outside of the church in mission.
- We are a people of the Bible – The Word of God is our highest authority and guide.
- Christian education is valuable to people of all ages – School ministry is one of our primary learning environments.
- Relationships matter – People grow through healthy relationships with one another that stem from relationships with Jesus Christ.
- We want to be a church where God's grace is lived – We believe it is love that draws people to Christ... a love that deals in grace and forgiveness.
- Excellence honors God and inspires people.

## **St. John's Lutheran School Vision**

St. John's Lutheran School will::

- Be child focused
- Have smaller class sizes
- Have a solid curriculum
- Have committed, dedicated and professional teacher
- Be distinctly Christian in its programs and atmosphere

## **General Statement of Doctrine**

St. John's Lutheran School is a ministry of St. John's Lutheran Church. As such, our doctrinal position is consistent with the Lutheran Church Missouri Synod. In all matters related to the basic tenets of faith we teach and subscribe to those positions set forth in The Book of Concord. In addition, our school's position on such issues as abortion, homosexuality, euthanasia, etc. is consistent with those of the Lutheran Church-Missouri Synod. If you have any questions regarding this matter you are encouraged to contact our pastor or speak with the principal.

## **Goals of St. John's Lutheran School**

- **Teach the Lutheran expression of the Christian faith.**  
All instructions in our school is in harmony with the Christian faith as expressed in the confessional beliefs of the Lutheran Church – Missouri Synod. The primary focus of Lutheran doctrine is a clear distinction between Law and Gospel as a means by which the Holy Spirit enables Christians to increase and exercise their faith.
- **Equip students for ministry.**

Our school is a ministry of the congregation which educates and equips its members, primarily the young, to be active and capable ministers of the Gospel to the world. The teaching ministry has been given to the church to equip all God's people in the performance of their unique ministries. Teachers seek to equip each student for this ministry, so that, through the Holy Spirit's guidance, each student is blessed by God to become a blessing to others.

- **Reach out in mission with the Gospel.**

Every baptized Christian has been commanded to bear witness to the Gospel of Jesus Christ. Our school seeks to equip all students for the personal ministry of spreading the Gospel and living their faith through their works and actions.

- **Provide an education in a Christian environment.**

Our school seeks to provide an environment where both staff and students are encouraged to live their Christian faith, where regular worship opportunities are provided. Our school endeavors to work in partnership with parents in nurturing the Christian faith of the students. This Christian environment does not seek to isolate students from the world, but rather to prepare and strengthen them for ministry in the world.

### **Overview**

St. John's Lutheran school is owned and operated by St. John's Lutheran Church. The school is a part of the total parish education program. Enrollment is open to all children. Applicants are admitted on the basis of space available and the potential benefit to the child; academically, physically, emotionally and spiritually. Students with special learning or behavioral needs are admitted only if it is established that St. John's has adequate facilities and staff to meet those needs.

St. John's works with parents, physicians, psychologists, social workers and local school district special needs staff to meet individual student needs. St. John's participates in the formation and implementation of IEP's and 504 plans to aid students with special needs.

St. John's Lutheran School is governed through the Governing Board, elected by members of St. John's Lutheran Church. As described in The Governing Board Policy Manual, the school is administered by the school principal through the direction of the senior pastor who in turn is responsible to the Governing Board.

The school principal, by the authority of the senior pastor, is responsible for carrying out the policies contained in the Governing Board Policy Manual.

### **Order of Enrollment**

St. John's has established the following order for new enrollment:

- Previously enrolled students
- Children of members belonging to St. John's
- Siblings of currently enrolled students
- Children of families wishing to become members of St. John's
- Children from other Lutheran congregations
- All others

### **Students Transferring to St. John's**

Students transferring to St. John's must submit a birth certificate and parents must fill out a "Request for Transfer of Records" which will enable St. John's to receive an official transcript from the student's previous school. St. John's will request special education and disciplinary records in addition to the usual health, academic and attendance records. St. John's also reserves the right to contact sending schools if further information is needed or for clarification of records received.

A pre-admission test may be given to new students enrolling at St. John's. Grade placement for all new students is considered "**temporary**", **subject to a nine week probationary period**. This time period will allow the school time in which to receive the transcripts and to monitor the student's progress in order to determine if grade placement is correct and to determine if St. John's program is adequate to meet the needs of the student.

Final acceptance will be determined upon parent/teacher conference, adequate transcripts from previously attended school(s), teacher observation and testing (if used). The school principal will make the final determination regarding permanent enrollment.

It is our policy that ALL FEES are paid in FULL by August 1st. Any fees that are not Paid in FULL by August 1st will be added to your family's September SMART payment. This fee is not refundable after the first day of school.

#### **Tuition**

St. John's Lutheran Church generously supports the educational ministry of the school. The actual per pupil cost for the 2019-2020 school year was approximately \$7600 per child, and because God desires that children receive a Christian education, members of St. John's Lutheran Church provide regular and generous gifts for the continuation of this ministry.

St. John's Lutheran School uses SMART services for the collection of tuition payments. Enrollment in SMART is easy, simply go to [www.enrollwithsmart.com](http://www.enrollwithsmart.com) follow the prompts (our school code is 11186). Tuition can be spread over 10 months beginning in July (ending in April) Late enrollment in SMART will result in fewer months over which to spread your payments. All payments are Automatic or ACH/EFT –Electronic Funds Transfer from checking or savings account. Credit card payments to SMART carry a usage fee. There is a \$50.00 charge to use SMART (this is billed directly from SMART it will be taken when your first payment is withdrawn. Late/Declined Payments there is a \$50.00 late charge. A Delinquent Tuition Report will be submitted to the governing board monthly. Delinquent tuition accounts will be addressed by the governing board and school Principal. Families with delinquent accounts risk suspension or expulsion from our school if arrangements are not made in a timely manner.

Christian education is an investment in your child's future. Providing a Christian education for your child very often means that financial priorities must be carefully planned. St. John's Lutheran Church covers the difference between the tuition amount paid by school families and the actual operating cost per pupil. It is our expectation that the difference between member tuition and the cost of education would be contributed by member families through Sunday offerings. We thank God for the congregation's support of our mission and ministry at St. John's Lutheran School.

#### **Tuition Grant Program- Financial Aid**

These grants are given as funds are available and are based on need as demonstrated through the application process. You can apply for tuition assistance by going to [www.smartaidforparents.com](http://www.smartaidforparents.com) (school ID 11186) there is a fee associated with this application.

## MINIMUM CHURCH ATTENDANCE \*\* (FOR MEMBERS OF ST. JOHN'S)

Membership in any organization comes with both benefits and responsibilities. With church membership those responsibilities come directly from God.

- Remember the Sabbath Day by keeping it holy. (Exodus 20:8)
- Let us not give up meeting together, as some are in the practice of doing, but let us encourage one another – and all the more as you see the day approaching. (Hebrews 10:25)

Regular and faithful attendance at worship is a practice that St. John's and its teachers stress to the children in each grade each year. As our mission statement says:

*The mission of St. John's Lutheran Church and School is to equip the members of God's family to extend the Church of Christ to the whole world.*

A key component to that equipping is regular worship in the Lord's house.

Members of St. John's who enroll their children in our school receive a substantial discount on their child's tuition. The purpose of this discount is two-fold; 1) to make it financially possible for everyone seeking a Christian education for their child to receive one, and 2) to allow members to support not only the school but other church ministries through their offerings.

The purpose of this guideline is to encourage faithful regular church attendance. To that end St. John's has established the following for all members of St. John's who utilize the day school for their child(ren).

1. All parents enrolling their child(ren) in school at St. John's and receiving the member discount must attend church with their child(ren) at least fifty percent (50%) of weekend services.
2. Official attendance records maintained in the church office will be used to establish the level of attendance. For this reason it is very important that members fill out attendance cards each time they worship.
3. Services which will count towards this goal are Saturday evening and Sunday services. Mid-week Advent and Lent services will not be used.
4. If a member family is out of the area and attends elsewhere they must drop-off or mail in a worship folder from the Christian church they attended (preferably Lutheran) to the church office for inclusion in their overall average.

Each academic quarter attendance records of parents will be reviewed. If parent church attendance falls below the required 50% level they will be notified by letter that they have failed to achieve the minimum attendance requirement. If at the end of the next quarter they have not brought their **overall** average to the target of 50% they will be considered non-members for tuition purposes only and will be charged the non-member rate for the next quarter or the remaining part of the school year. (Attendance during the summer months will be used and considered as a quarter. Thus falling below 50% during the fourth quarter of the school year and also during the summer will result in non-member status at the beginning of the next school year.)

Families who fail to achieve a minimum of 50% attendance and are notified by letter of the change in their tuition status may appeal this decision by attending a meeting with the principal and/or pastor. The decision of our senior pastor in this situation is final.

Member families receiving tuition assistance grants are expected to attend church no less than 50% of the time during the school year. Failure to achieve this level during any consecutive quarters of the school year (including the summer months) will result in the suspension of the tuition grant and be subject to non-member tuition rates during the next semester. Members who apply for tuition assistance must have a minimum church attendance record of at least 50% to qualify for a grant.

All members upon enrollment of their child(ren) will be expected to sign a form indicating their knowledge of the "Minimum Church Attendance Guidelines" and their willingness to abide by it.

**If students, groups of students or a whole class is scheduled to participate in church services or other event then your student is expected to be in attendance. Excuses should be presented prior to the scheduled event or service.**

**\*\*Special exceptions will be granted for students with COVID 19 or COVID 19 symptoms please see COVID Addendum - last page of handbook**

## GENERAL PRACTICES, PROCEDURES AND INFORMATION

### Absences from School

- Parents should call the school office to notify staff when your child is absent 630-932-3196 x 100.
- If the school office does not receive notice from a parent by 9:00AM regarding student absence, staff will call the parent.

At no time during the hours in which the student is under the supervision of the school will he/she be allowed to leave the school grounds except by prior arrangement with a parent and/or guardian. **Prior** notification to the school office is required for the student to leave the school grounds or go home by other than established means. Verbal requests will not be accepted unless an emergency arises, in which a telephone call may provide valid authorization.

**If arrangements have been made and a student is to be picked up during the school day, the parent and/or guardian should go to the office (NOT THE CLASSROOM) to sign out their child.** If someone other than the parent and/or guardian is picking up the child, he/she must present a signed note from the parent and/or guardian before the child will be released. **NO CHILD WILL BE RELEASED TO MEET HIS/HER PARENT, LEGAL GUARDIAN, OR OTHER PERSON IN THE PARKING LOT.**

The school assumes no liability in cases where the student leaves the premises in violation of the above stated guidelines. Students remaining after school for a school sponsored activity are not to leave the school grounds without appropriate adult accompaniment.

### **\*\*Absences/Illness**

**\*\*Special exceptions will be granted for students with COVID 19 or COVID 19 symptoms please see COVID Addendum - last page of handbook**

**Students should be 24 hour fever and symptom free before returning to school following an illness.**

When students are absent from school due to illness their primary focus should be getting well enough to return to school. To that end, St. John's Lutheran School will **NOT** send work home to be completed by ill students. We would prefer that students, who are ill, spend time resting so they may return to school quickly.

**\*\*Students will be allowed two (2) school days for each day out of school to make up work missed due to illness.**

Please note: Parents may come to school, after 3:00pm, and collect the day's homework as listed on the board or in the assignment notebook. **However if you come to pick up homework the work should be complete upon return to school (in other words, your students does not get 2 days to make up the work – it is due the day they return to school).** *Again we do not encourage this and would rather the child concentrate on getting well.*

In cases of prolonged illness or injury (3+ days) arrangements may be made to provide assignments or arrange for outside tutoring.

It is vital that your child be present on a regular basis for the following reasons:

- It helps to instill self-discipline and responsibility.
- It exposes students to interaction with fellow students and teachers.
- It allows the student the opportunity to participate in class discussions.
- It involves the student in unique learning environments not otherwise available.  
(ie: science experiments)

- Many wonderful learning opportunities that are lost through absence from class are not retrievable or repeatable.

**All absences require a telephone call or email** (copy both teacher and office) that day (especially important in cases of communicable disease). We require children to be free of any fever or significant symptoms (e.g. constant cough, vomiting or diarrhea) for at least 24 \*\* hours before returning to the classroom in an effort to keep contagious illness in check. Absence from school regardless of reason will be marked as an absence. **Students must be in attendance at school in order to participate in extracurricular activities.**

The school calendar is available on Sycamore. Parents are strongly encouraged to plan their vacation trips during normal school vacations. Please note the following guidelines if you plan to take an extended trip during the academic year:

- Notify the student's teacher and the school office as early as possible prior to the trip.
- Explain the reason for the trip and give dates of departure and return.
- It is the obligation of the parent and student to procure all missed work and make sure it is completed in a timely manner. **Students have one (1) day per each day missed to make up work. After the allotted time, credit will not be received although the work must still be made up \*\***
- Homework assignments will be given to the student **AFTER** he/she returns to school.
- It may be necessary for the student to stay after school in order to get teacher instruction for missed work.

If students will be absent for extended periods of time due to vacations, the teacher may **help** the student determine what academic work will be missed, but will not provide daily assignments ahead of time.

Parents should weigh carefully their decision to remove a student from school for extended vacations during non-vacation times. Many times such absences can prove detrimental to the educational progress of the student. While a death in the family, a student illness, or occasional medical appointments are acceptable and understandable reasons for absences; absences for other reasons should be avoided.

### **Tardiness**

Habitual tardiness is to be avoided. Late arrival often disturbs the class, interrupts normal procedures and is detrimental to the education of all. Habitual tardiness will be addressed by classroom teacher and administrator.

After 8:10AM a parent must accompany their child to the school office and sign them in.

Habitual tardiness consequences may include

- Detention
- May receive less than full credit for work missed
- Working lunch

### **Absence and Retention**

Daily school attendance is required to meet the educational goals of the school. Students who are absent miss important instruction, labs, and other such activities. Although missed work can be made up, some of the above cannot, which means an important component of the education we offer at St. John's is missing.

Regular school attendance also provides the student with an important part of their training for the future. Employers expect, and in most cases, demand punctual and consistent attendance at work. In training children to be at school, on time, we are equipping children for life beyond the walls of St. John's.

**\*\*Special exceptions will be granted for students with COVID 19 or COVID 19 symptoms please see COVID Addendum - last page of handbook**

For the above stated reasons St. John's has established the following guidelines related to school absenteeism:

- If a student accumulates ten (10) absences their parents will receive a phone call from the Principal.
- Any student at St. John's who misses more than fifteen (15) days in an academic year may be considered for retention in their current grade unless adequate proof can be provided that shows mastery of curriculum objectives of the current grade.
- Any student who misses thirty (30) or more days may be retained in their present grade level regardless of curriculum mastery.
- It is the policy of St. John's that when a decision to retain a student, for any reason, at their current grade level, that student's parents must abide by the decision or voluntarily withdraw their child from St. John's Lutheran school.
- The administration reserves the right to make exceptions regarding this policy in the case of prolonged illness, injury, and the like.

### **Accreditation**

St. John's Lutheran School is fully accredited by the *National Lutheran School Accreditation Commission*. St. John's is also recognized by the State of Illinois. St. John's strives to meet applicable educational standards of the State of Illinois. Teacher certification, length of school day, attendance, health requirements, and required school subjects are just some of the state standards that St. John's meets or exceeds.

### **Annual Events**

St. John's Lutheran School has a variety of annual events in which students and families participate. Some of these events are directly connected with the curriculum, while others are optional:

- **Grandparent/Special Guest Day** – Grandparents and special guests are invited to spend a portion of the day at school with their grandchild and/or special student. They attend a special chapel service, visit classrooms and participate with their student in other special programs.
- **Children's Advent Service** – Each December the school conducts 2 Advent/Christmas worship service (one for the upper grade students, and one for the lower grade students). A variety of worship forms are used to share the Christmas message.
- **Academic/Science Fair** – This fair is run in correlation with our curriculum. The date of this fair varies, and will be placed on the school calendar.
- **Magazine Campaign** – This is an annual fundraiser sponsored by St. John's. The campaign is run in late winter – early spring.
- **Musical and Plays** – The annual musical/play provides students with the opportunity of being part of a large production. It is an opportunity for drama and singing gifts to be on display. Lower and upper grades alternate years for performances.

### **Athletics**

Students in Grades 5-8 are eligible to participate in after school athletics. These activities include cross country, basketball, cheerleading, volleyball, and track.

- A record of a recent physical examination or a sport physical is required in order to participate in athletics. Forms
- A participation permission form and a fee will be charged to students participating in interscholastic sports.

### **Birthday Treats**

Birthdays will be acknowledged and celebrated in the classroom. **Parents are asked not to send any treats or other gifts to school.** Donation of a book to the library in your child's name is one way parents may make each birthday a special time for their child. Contact the school office for information on how to make this donation.

### **Building Access**

- Doors are locked during school hours.
- For the safety of all, anyone visiting the school needs to check in at the office.
- Students are instructed not to open the doors for anyone.
- All visitors to the school are to enter through the north school door # 1. This entrance is under supervision and has a buzzer to announce your arrival.

### **Book Fines**

School-owned textbooks are loaned to students. As school property they should be well cared for and protected as much as possible. While we expect normal wear and tear, books that are returned with excessive wear or damage will be assessed a fine. These book fines must be paid prior to the student receiving their final report card.

### **Chapel**

Chapel is held on a weekly basis. Pastors, teachers and other guests lead children in these worship opportunities. Parents are invited and encouraged to attend chapel with the students. Chapel is held in the sanctuary on Wednesday morning beginning at 8:10a.m.

Offerings gathered during chapel services are used to support specific mission projects. These projects are designed to help students share their faith through their offerings.

### **Class Size**

Class sizes have been established by the St. John's with the following capacities:

Preschool 3	10 students/adult up to 20 students
Multi-Age PS	12 students/adult up to 24 students
Preschool 4	12 students/adult up to 24 students
Kindergarten	25 students (an aide will be provided when class size reaches 15)
Single Grade Classroom	28 students (aides will be assigned as class size necessitates and resources allow.)

Exceptions may be made on an individual basis upon recommendation of the principal.

### **Classroom Visits**

As a matter of courtesy, and to avoid classroom disruptions, please notify the teacher and school office at least two (2) days in advance if you wish to visit/observe in any classroom. On the day of your visit, please stop in the office to check-in and receive a visitor's pass.

### **Detention/Suspension**

Students in Grades K-8 serve detention if poor behavior, tardiness, or work habits warrant such action. Parents will be notified of the procedures for detention early in the school year, and how their student may avoid having to serve a detention. Parents will be notified of when, where and why their child is serving a detention. Repeated detentions within a quarter will trigger additional behavior modification remedies which may include, but are not limited to, longer detentions, suspension and in the most severe cases possible expulsion.

The following behaviors may result in a student receiving an in school or out of school suspension as determined by the School Administrator:

- Fighting
- Public Displays of Affection  
Physical contact including but not limited to: hand-holding, cuddling, kissing etc at school or at school sponsored events.
- Stealing
- Weapons
- Internet Abuse
- Drugs

The School Administrator will complete a Behavior Assessment Plan and Suspension Conference Form when issuing a suspension.

### **Discipline**

St. John's Lutheran School is a setting in which God seeks to accomplish His good and gracious will for students. Living in the assurance of God's love, mercy, and forgiveness students are encouraged by the power and teaching of the Holy Spirit to live Christian lives in accordance with God's will for them. Students, parents, teachers, and the administrator share the responsibility for maintaining an environment conducive to a Christian education for all students.

The word "discipline" comes from the same root word as "disciple." That best explains our objective in the discipline policy, namely, enabling students to become Disciples of Christ. Our ultimate goal is that students develop an attitude of love, and respect for parents, teachers, classmates and self.

We view discipline not in terms of punishment but rather the teaching of self-control. Discipline is positive when the goal is to build self-respect in the heart, not tear self-respect down. Every effort will be made to make discipline educational – to help the child understand the purpose and benefit of the disciplinary process.

We feel that routine matters are between the teacher and the student, however, when the teacher feels a continuing problem is developing, parents will be contacted.

Students who demonstrate a continued lack of self-control and fail to function within the guidelines of the school may be suspended from school by the principal. Suspensions may lead to eventual expulsion from St. John's Lutheran School. Any student facing expulsion will be entitled to due process including a written complaint and a hearing before the school administrator and senior pastor.

Teachers are responsible for setting classroom rules and procedures that will promote a proper learning climate in their rooms. Teachers are given a degree of flexibility in establishing these rules as long as they do not conflict with established school rules. Many teachers include their students in establishing these rules and procedures. The list of school rules include:

- Students will show respect for the authority of teachers and other adults within the school. They are to obey reasonable directions, use only acceptable language, and avoid actions that may show disrespect for those in authority.
- Students are not allowed in the classroom before or after school unless the teacher is present. Students are not to be in the classroom before 7:45 a.m. or after 3:05 p.m. unless given permission by the teacher.
- Students are to be in assigned play areas during recess and lunch period.

### **Dress Code**

“Whatever you do, do it to the glory of God” helps set the tone and guidelines for both individual activities and group participation. This statement from God’s Word can also serve as our guide in personal grooming as children of God come together to learn, grow, and develop.

The school administrator and teachers believe that children need to be taught to use good Christian judgment when selecting school attire. The appearance of each student should reflect the values and nature of Christian education.

### **Drop-off and Pick-up**

**USE OF CELLPHONES (EVEN HANDS FREE) is prohibited by law in school zones.**

#### **Morning Drop-off**

Doors open at 7:45 AM. IF students arrive prior to that, their parents are to check them into Morning Care. St. John's is not responsible for students arriving before this time and not going to Morning Care.

**Door #1 (main door)** will be used by students in Preschool and Kindergarten. Door #12 will be used by students in 1<sup>st</sup> - 8<sup>th</sup> Grade.

In the morning, during drop off parents should pull as far north on Lincoln Ave as possible before allowing their children to exit the vehicle. It is recommended that if possible students use the driver side passenger doors to exit the vehicle. If passenger side doors are used please **exercise caution** as the right lane is a **thru lane** during this time of day.

Parents will not be allowed to enter the building with their child until COVID restrictions are relaxed.

**After School Pick-up *\*\*DUE TO COVID-19 this has changed. Students will stay in school and be dismissed when their ride pulls up through the pick up line. Walkers and those who walk elsewhere for pick up will be dismissed once the pick up line is finished.***

Students will exit through their assigned doors. Pick up of all students will be on Lincoln Ave. Please follow instructions given by teachers and safety patrol personnel. Children will not be allowed to enter vehicles until the car is stopped in the designated pick-up zone in front of the school.

**Please do not enter the lot from Ash Street.**

We strongly encourage all parents to use the pick up line at the end of the day. We feel this is the safest and most efficient way to get everyone into their car safely. However, we realize that there are some families who have to pick up at other schools and therefore, the pick up line is not a convenient option. If you need your student to walk unescorted to your car parked on Ash or Maple (this is for children in 2<sup>nd</sup> grade and older) in other words, you will not be using the pick up line, you will need to complete an *After School Release Form*. Parents parking on Ash Street, Maple Street or in other areas around the school (Please obey all village parking restrictions and do not use the driveway of the corner white house) please be respectful of our neighbors.

Students who walk to the library or bike/walk home will need a completed *After School Release Form* before we will allow them to leave campus. Parking is not allowed on the west side of Lincoln between the hours of 7-9am and 3-3:30pm on school days. We respectfully request that parents refrain from bringing pets to school during pick-up since their presence causes congestion and the animal may be startled due to the rush of children.

#### **Extended Care/ENCORE**

Extended Care (for K – 8<sup>th</sup> Grade) and ENCORE (for Preschool students) are offered by St. John's as a service to working parents. There is a \$25. per student registration fee. The cost is \$5.50 per hour and will be charged on a prorated hourly amount. These programs operate, according to the needs and program viability, after school (3:05-6:00). These self-supporting programs are designed to be a relaxed atmosphere for children after school. Children can engage in a variety of activities from free play on the playground to arts and crafts. For students wishing to get a head start on homework, a quiet place is provided. Parents should provide a snack for their child if they will be attending Extended Care or ENCORE.

Registration for the Extended Care and ENCORE programs is required. Registration forms are available in the school office and a registration fee must be paid with the form. Parents will be charged registration fee and hourly fee for drop-ins. A fee of \$1.00 per minute will be charged for those who are picked up after 6:00pm. In order for continued use of the program all payments are due upon receipt of the Extended Care statement. Children with past-due accounts will not be allowed to use the program.

### **Before School Care**

A before school care program is available and located in the multi-purpose room. Students may arrive as early as 7:00am and will be sent to their classroom when the first bell sounds at 7:45am. While in morning care students can play with games from home or use the ones provided; they may study, read or chat with friends. Students must remain in the room unless permission is given to leave. The charge for this service is \$5.50 per day. Students who arrive early and choose to remain outside will not be charged for before school care. (St. John's assumes no responsibility for students waiting outside before 7:45am)

### **Field Trips**

Field trips during the school day are designed to be educational and fun. Teachers may require students to take notes, answer questions or take tests or quizzes related to the trip. A signed permission form is required for all trips. A phone call can not be accepted for field trip permission. For some field trips, a fee will be charged to help offset the cost of the field trip.

Parents are asked to sign a Walking Field Trip permission form (every year) for trips taken within walking distance from school.

In most cases, transportation for field trips will be by bus. In rare circumstances they will be by private vehicles driven by parents/chaperones. When private vehicles are used each student must be secured according to state statute. Seatbelts or car seats are required for all students. All drivers/chaperones are required to complete a background check and drivers must provide proof of insurance. When considering signing up to chaperone a field trip please note that siblings are not allowed on field trips; if you are driving, it is our policy that NO VIDEO or DVD be shown and no cell phone or hand held device be used in the vehicle (State of IL Law); and under no circumstance should you deviate from the planned field trip – or make any unapproved stops to or from the field trip.

### **Fundraisers**

Money raised through school approved class fund raisers is to be spent for the designated purpose. Most school sponsored fundraising is used either for a specific event (class trip) or is part of our Parent/Teacher Organization program.

All funds raised are kept in the school checking account or are part of the PTO account. Individual accounts are kept to pay for overnight class trips beginning in 5<sup>th</sup> grade. If the student leaves St. John's before such trips occur, that individual account becomes part of the class account and is divided equally among current students. Any balance remaining once a class graduates transfers to the school's account or, if the class designates, a special designation or purchase in the name of the class can be arranged.

### **Gift Donations**

Gifts of money and equipment may be made to St. John's Lutheran School. All gifts are accepted through the principal's office and may be tax deductible. The school office will be available to supply donors a receipt for tax purposes. Gifts donated become property of the school and may be utilized as the staff deems appropriate. We respectfully ask that you check with the school before making any donations of equipment/supplies.

St. John's encourages potential donors to utilize matching funds programs available through many employers. Thrivent Financial for Lutherans provides funds for Lutheran schools through their *Simply Giving* program. Information about matching funds programs is available in the school office.

## **Graduation Requirements**

8<sup>th</sup> grade students are eligible for graduation if they complete the required course of study and successfully pass (at the 75% level) tests over the United State Constitution and the State of Illinois Constitution. Students, if needed, will be given multiple opportunities to successfully complete this requirement. All other requirements such as attendance, health and others are found elsewhere in this handbook. All school work (term papers, projects and final tests must be complete in order to graduate. All financial obligations to the school must be paid in full in order to graduate, and have files sent to high school.

Mastery of skill is required. A student that fails both semesters in 2 classes may be retained.

## **Grievance Procedures**

We utilize the Matthew 18 approach to resolve grievances. Following this Biblical precept, disputes should be resolved using the following steps:

1. Person-to-person (e.g. parent to teacher), this is by far the easiest and most God-pleasing way to resolve matters. (Multiple meetings may be needed to resolve issues.)
2. Person-to-person with a mediator (e.g. parent to teacher with principal); keeping the matter between the two parties and a mediator can resolve many problems quickly.
3. The final step (if all others have failed) is to bring the concern to executive council (pastor, principal and other designees). Again, this is considered the **final step** and should be done only after repeated efforts to resolve the matter.

Out of Christian love and respect, and because Scripture directs us in this matter and warns us of the evils of the tongue, **please keep grievances out of parking lots, social media platforms, or telephone conversations with unaffected parties and deal with them as outlined above.**

## **Bullying and Harassment**

### **I. Preamble:**

The Illinois General Assembly finds that “a safe and civil school environment is necessary for students to learn and achieve and that bullying causes physical, psychological, and emotional harm to students and interferes with students’ ability to learn and participate in school activities. Because of the negative outcomes associated with bullying in schools, the General Assembly finds that school districts, charter schools, and non-public, non-sectarian elementary and secondary schools should educate students, parents, and school district personnel about what behaviors constitute prohibited bullying.” 105 ILCS 5/27-23.7

### **II. Bullying Defined:**

**Bullying** is any type of conduct that may:

1. Reflect a coercive **imbalance of power**; AND
2. Is **severe, pervasive** and often **purposeful** and **repeated**; AND
3. Places an individual in (a) **reasonable** fear of **substantial** detrimental effect to his or her person or property; or (b) to otherwise substantially interfere in a student’s academic performance or ability to participate in any school related activity.

Further the Illinois legislature defines “Bullying” as meaning:

“Any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

- (1) Placing the student or students in reasonable fear of harm to the student's or students' person or property;
- (2) Causing a substantially detrimental effect on the student's or students' physical or mental health;
- (3) Substantially interfering with the student's or students' academic performance; or
- (4) Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school."

"Cyber-bullying" means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo electronic system, or photo optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications.

"Cyber-bullying" includes the creation of a webpage or blog or other means in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates any of the effects enumerated in the definition of bullying in this Section. "Cyber-bullying" also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons if the distribution or posting creates any of the effects enumerated in the definition of bullying in this Section.

Conduct which may be considered bullying might include:

- Physical acts, such as inappropriate, unwanted, uninvited, or injurious physical contact with another; harassment, threats, intimidation, theft, public humiliation, retaliation for asserting or alleging an act of bullying, stalking; sexual assault; and destruction or damage to property of another.
- Written and electronic communication of any type that incorporates language or depictions that would constitute bullying, using any medium (including, but not limited to, cell phones, computers, websites, electronic networks, instant messages, text messages and emails);
- Verbal threats made to blackmail, or demands for protection money;
- Non-verbal threats or intimidation such as aggressive or menacing gestures;
- Direct or indirect, relationally aggressive behavior such as social isolation, rumor spreading, or damaging someone's reputation;
- Any of the above conduct which occurs off school grounds when such conduct creates, or reasonably can be expected to create, a substantial disruption in the school setting and/or at school sponsored activities and events.

In addition to that conduct described above, *examples* of conduct that may constitute bullying include the following:

- Blocking access to school property or facilities;
- Stealing or hiding or otherwise defacing books, backpacks or other personal possessions;
- Repeated or pervasive taunting, name-calling, belittling, mocking putdowns, or demeaning humor relating to a student's race, color, age, gender, or expression, ancestry, religion, disability, or other personal characteristics, whether or not the student actually possesses them, that could reasonably be expected to result in the disruption of school activities or that results in a hostile educational environment for the student.

Conduct that would ***not ordinarily*** be considered bullying for purposes of this policy include:

- Mere teasing
- “talking trash”
- Trading of insults

### **III. Bullying is prohibited**

Bullying is NOT acceptable and is strictly prohibited. Bullying conduct that is covered by this Policy is conduct that occurs on school property, at school sponsored activities or events, or “cyber-bullying” conduct from outside of school; while students are being transported or walking to or from school or school sponsored activities or events; or when the conduct otherwise would substantially impede the educational environment, regardless of where the conduct occurs.

Any student who engages in bullying will be subject to appropriate discipline, up to and including suspension or expulsion and referral to local law enforcement. A student’s bullying conduct also may be addressed through any other behavioral interventions, including but not limited to restorative measures.

Any student who is a bystander to any bullying conduct and who fails to take any action to discourage the bullying conduct also may be subject to appropriate discipline.

No student shall be retaliated against for reporting bullying conduct. Any student who is determined to intentionally have falsely accused another of bullying shall be subject to appropriate discipline.

The highest risk location for bullying occurs:

- On the school bus
- Walking to and from school
- On school playgrounds
- In school cafeterias, locker rooms, and in bathrooms
- Through use of the Internet and cellular phones, even from off-campus

This Policy applies to bullying that may occur at any of these locations, but is not limited to these locations. For purposes of this Policy, a **bystander** to bullying is a witness to bullying conduct and may be considered to be aiding or abetting the bully. This aiding and abetting includes, but may not be limited to, standing idly by or otherwise actively encouraging the bully.

### **IV. Responding to Bullying**

It is the responsibility of the school staff to use violations of the school rules as opportunities to help students improve their social and emotional skills, accept personal responsibility for their learning environment and understand consequences for poor choices and behaviors. In determining the appropriate response to or discipline of students who engage in bullying behavior, the school’s administration should consider the following:

- The ages and maturity of the students involved;
- The type, frequency, severity and patterns of behaviors;
- The context in which the incidents occurred;
- Any other relevant circumstances.

In this regard, this Policy recognizes the sound principles of remediation measures and restorative justice and encourages application of these principles in any response or discipline that may be imposed.

### **V. Report and Investigation**

St. John’s has developed a reporting procedure (Incident Report form) to be filled out whenever an allegation of bullying is made. Anyone who witnesses any conduct that could constitute bullying shall make such report as soon as possible to any school staff member. This report then shall be submitted to the principal or designee(s) responsible for student discipline who as soon as practicable shall conduct or cause to be conducted a thorough investigation of the alleged incident, and make all reasonable efforts to complete the

investigation within 10 school days after the date the report of the incident of bullying was received. Discipline and/or other intervention appropriate to the outcome of the investigation shall be imposed consistent with the St. John's establish due process procedures. This procedure will promptly inform parents or guardians of all students involved in the alleged incident of bullying. The procedure will discuss with parents or guardians as appropriate, the availability of counseling, school psychological services, other interventions, and restorative measures.

The police and State's Attorney shall be notified immediately of all incidents involving bodily harm, property damage or any conduct which reasonably is believed by the school administrator(s) to be a violation of the criminal laws. The investigation of any such bullying conduct shall proceed in cooperation with the police and other applicable law enforcement authorities. St. John's always retains its' right to investigate and impose any discipline for violation of this Policy, whether or not criminal charges are pursued.

The school principal or designee periodically shall review disciplinary incidents involving bullying conduct or conduct placing students at risk of bullying for purposes of monitoring: 1) the effectiveness of the school's programs and interventions in creating a climate of mutual respect and civility in the school community, and 2) the application of this policy in a non-discriminatory manner. A report of the principal's findings shall be made to the senior pastor at least once a year.

## **VI. Notification / Training**

Students and Parents/legal guardians will be notified of this Policy annually through receipt of the school's Handbook. The Policy is also posted on the school's website. The school shall utilize a framework to incorporate the social and emotional learning standards for all grade levels as required by State law.

All partners to this agreement understand the importance of the most current and up-to-date information on issues relating to bullying and agree to utilize their best efforts in participating in training and sharing information on this important topic.

Any training in the schools will include training for all staff members including teachers, administrators, paraprofessionals, coaches, support staff, sponsors of student groups and any volunteer who is engaged in interacting with students on a regular basis.

## **Hate Speech/Intolerance**

St. John's Lutheran School does not condone and will not tolerate any type of hate speech or intolerance of people due to their race, creed, ethnic origin or religious beliefs. As our Lord Jesus Christ welcomed all, so do we. Any student who engages in such activity, whether written, verbal or electronic will face the following consequences:

1. Upon completion of an investigation by the principal or his appointee, if evidence points to such behavior the offending student or students will be suspended immediately pending a meeting of the executive council (Pastors, principal, parish assistant) to consider the situation.
2. The student or students and their parents will be invited to attend the meeting to offer their opinions and/or defenses.
3. The council will review all associated documentation and interview witnesses as needed.
4. The council will then decide if any further course of action which can include any or all of the following:
  - Mandatory counseling,
  - Required sensitivity and awareness training,
  - Extension of the suspension for up to an additional five (5) days,
  - Expulsion of the offending student or students for conduct unacceptable to St. John's Lutheran School,
  - If facts warrant, civil authorities may be notified, or
  - Dismissal of the complaint

In situations such as this, those children or families threatened or named as targets of such behavior will be notified and given the opportunity to address the executive council prior to the council's rendering of a final decision. **The decision of the executive council is final.**

## **HEALTH INFORMATION**

### ***Emergencies and Illness:***

Parents must list on Sycamore a list of names and numbers of someone who can pick-up the child and be responsible for that student should he or she become ill or have an accident during school hours. Should a health condition require a 911 emergency call, the Lombard Fire Department Paramedics will, along with the Lombard Police Department, provide to your child on-scene emergency medical care and transportation.

Upon arrival, the paramedics will assess and treat your child per standard operating procedures. Then, if needed, they will transport your child to the nearest available hospital. The fees for services rendered will be the responsibility of the parents or guardian.

If your child becomes ill at school, a staff member will attempt to reach a parent and then, if needed, the other names given for emergencies. **A student will not be sent home without an adult.**

***Emergency Information*** – Be sure your child's emergency information and your emergency contact information is current by updating Sycamore every time there is a change. **This is extremely important!**

### **Medication at School:**

There are cases when a student's health could be compromised by not getting medication during school hours. All medications must be kept in the school office. Students with inhalers may carry them if their parents indicate this in writing. When a student requires any medication at school, the parent must supply:

1. **Written permission authorizing school personnel to administer medication. (All Prescription and OTC medications) signed by doctor or doctor's representative.**
2. **A written order from the physician indicating the necessity of medication. (All Prescription and OTC medications)**
3. **The original labeled container of the medication. For prescription medication the pharmacist will supply a duplicate labeled container so one can be kept at home and one at school. Each container should contain the phone number of the pharmacy, the student's name, the physician's name, and the medication and dosage to be given.**

### **Care of Students with Diabetes**

- a. When the school has a student with diabetes, all school employees receive training in the basics of diabetes care, how to identify when a student with diabetes needs immediate or emergency medical attention, and whom to contact in the case of an emergency during a regular in-service training as provided by Section 10-22.39 of the School Code
- b. The school allows the self-administration and self-carry of diabetes medication upon receipt of a signed parent permission notification and a signed physicians diabetes care plan that also carries a parent signature, both of which are maintained in the school files.
- c. The school requires every staff member who is taking care of a student with diabetes to be trained appropriately, per 105 ILCS 145, as a "Delegated care aide" by a licensed healthcare provider with expertise in diabetes or a certified diabetes educator.

### **Stay-in Requests for Recess:**

The school's position is that children healthy enough to attend school are well enough to take part in gym and outdoor recess. A stay-in request will be honored if made by the child's physician in writing and filed in the school office.

### **Screenings:**

Screenings are required for the following grades and all who have an IEP/504 Plan:

Vision	Preschool, 2 <sup>nd</sup> and 8 <sup>th</sup> and all LEAP and new students
Hearing	Preschool, 1 <sup>st</sup> , 2 <sup>nd</sup> and 3 <sup>rd</sup> and all LEAP and new students

Dupage County Health Department will provide personnel to conduct the screenings. There is a charge for this service of \$5.00 per screening per child payable to St. John's Lutheran School (cash or check are accepted) When indicated by the Health Department, parents should make certain all follow up screenings are done by their own vision and hearing specialists. Evidence of such screening should be provided to the school.

**State law requires that all health required examinations and scheduled immunizations be fulfilled by October 15. Students who do not meet this deadline will be suspended until proof of both is presented to the school office. REQUIRED HEALTH EXAMS**

ALL **NEW** STUDENTS entering K- 8<sup>th</sup> Grade: Birth Certificate, Physical/Immunizations, Dental Exam, Eye Exam

PRESCHOOL STUDENTS: Physical/Immunizations

KINDERGARTEN STUDENTS: Physical/Immunizations, Dental Exam, Eye Exam

2<sup>nd</sup> GRADE STUDENTS: Dental Exam

6<sup>th</sup> GRADE STUDENTS: Physical/Immunizations, Dental Exam

### **Home/School Communication**

Communication is one of the keys to a strong home/school bond. To allow for this to occur, St. John's Lutheran School uses the following:

- A weekly newsletter (Parent Bulletin) is e-mailed home with information about the school and upcoming events. Please read each copy thoroughly. This is sent out on Thursday.
- Move-in days held before school begins for grades Preschool through Grade 8 provide students and families a chance to meet the teacher and visit their classroom. These visits give both parents and teachers a chance to ask questions, share expectations, and generally get acquainted. Specific classroom procedures are often shared during these visits.
- A "Back to school Night" hosted by our middle school teachers gives parents a chance to meet their child's teachers and ask questions.
- Parent/Teacher conferences are held once a year. A **mandatory** conference is scheduled following the first quarter. An optional second conference is held following the third quarter as needed.
- Periodic notes, e-mails, and telephone calls are also used to keep in touch. Additional conferences may be scheduled as needed.
- St. John's uses Sycamore Education, an on-line service which connects the school with its families. On Sycamore you may check calendars, get the latest information, read the newsletter and check your child's grades. All families have an ID and will receive an invitation to log into their account at the beginning of the school year.

### **Homework Philosophy**

Educational practitioners all agree that homework has a place in the education of children. We at St. John's Lutheran School feel that work assigned to be completed by the student independently, provides a source for practice and mastery of material presented by the teacher. Homework (independent work) provides students with the opportunity to develop lifelong skills including time management, scheduling, self-discipline, and the ability to work independently.

Specifically speaking, homework at St. John's Lutheran School has three (3) primary goals:

1. To provide practice in subject material covered that day;

2. To prepare the student for material which will be covered the next day, and
3. To allow the student to complete long-term or long-range assignments such as book reports or projects

The goal of homework is to engage the students in meaningful activities as guided by the above stated goals. Teachers at St. John’s Lutheran School strive to make homework meaningful without being redundant or wasting precious time. We realize the stresses put on children due to extra activities; however, we believe school and its accompanying work should remain the **number one** priority for all students.

Generally speaking, St. John’s Lutheran School expects students to spend approximately 15 minutes per grade in outside work. Thus first graders can expect to spend about 15 minutes, third graders approximately 45 minutes and eighth graders approximately 2 hours. While these guidelines are not hard and fast, they should be used as a guide. Most often time spent on homework may be less, and occasionally, more depending on class or subject circumstances. If you discover your child consistently spending more time than this, it is important to contact your child’s teacher.

**Honor Roll**

“High Honors” and “Honors” are the two designations we apply to students who demonstrate academic excellence. To be considered for these awards students must maintain a grade point average of 8.0 – 10.9 (Honors) and 11.0 plus (High Honors) without receiving any grade lower than a “B-“. All academic areas are included in this award although for purposes of arriving at the student’s grade point average the grades for Physical Education, Health, Art, Music, Spanish, Computer, Memory and other courses are combined and computed as one grade.

**Grading**

The following scale will be used to determine grade point average:

Grade	Point Value	Percentage
A	12	100-93
A-	11	92-90
B+	10	89-88
B	9	87-83
B-	8	82-80
C+	7	79-78
C	6	77-73
C-	5	72-70
D+	4	69-68
D	3	67-63
D-	2	62-60

Valedictorian and Salutatorian awards for 8<sup>th</sup> Grade graduation will be determined using grades achieved in Grade 6-8. Students transferring to St. John’s during those years will have their average figured by using the above scale and the grades received as part of their permanent academic record.

For students in Grades 1-2, the following grading is used:

Effort	Skills
O = Outstanding	+ = Outstanding
S = Satisfactory	✓ = Satisfactory
I = Improving	I= Improving
N = Need Improvement	- = Unsatisfactory
NA = Not Applicable at this time

## **Inclement Weather -Emergency Notifications**

### **One Call Now Emergency Notification System**

If school is cancelled due to inclement weather all extra-curricular, activities scheduled and extended care/ENCORE for that day are also cancelled.

## **Invitations**

If you are hosting a birthday party, unless the entire class is invited, invitations are NOT handed out through school.

## **Library**

St. John's Lutheran School operates a library for the enrichment and enjoyment of our student body.

All classes are given the opportunity to use the library and its resources. Students may checkout and keep books for two (2) weeks. Each classroom may also have a number of books geared to the reading level of that grade. We encourage parents and students to make use of their local libraries as well.

Volunteers under the direction of our staff library coordinator operate the library. **If you are interested in helping with the library please contact the school office.**

Children are responsible for any material checked out. Fines are assessed for books that are overdue and for library materials that are damaged or lost. Fines for overdue books are assessed at 10 cents per day. Damaged, lost, or defaced materials will be assessed at replacement cost. Children who have unpaid library fines at the end of the year will not receive their report card until the fine is paid in the office.

## **Lockers**

Students are assigned a locker at the beginning of the school year. The following list of regulations applies to the hallway lockers:

- Students are to use only their assigned lockers. Students may not trade lockers without teacher permission.
- Lockers are the property of St. John's. Thus, the administration and faculty reserves the right to inspect lockers at any time.
- No stickers are to be used inside or out. Students may use magnets on the inside only.
- Each locker has one shelf. Students may purchase locker shelves if desired. The inside dimensions of the locker are 11 inches wide and 11 inches deep. Please take care not to scratch or dent the locker.
- Lockers should be kept clean and should be cleaned out prior to each major holiday break and at the end of the school year.
  - Students are not to alter the locking mechanism.
  - Damage done by the student requiring repair or replacement of the locker will be the responsibility of the parent.

### **National Junior Honor Society**

St. John's Lutheran School sponsors a chapter of the National Junior Honor Society. Our chapter is chartered by the National Junior Honor Society Association. Students are invited to apply for membership based on their scholarship, service, leadership, character, citizenship, and because St. John's Lutheran school is founded on Jesus Christ and His Word, on the student's discipleship as well. Eligible seventh and eighth students are invited to apply once per year at the end of the first quarter.

To be eligible to apply, a student must maintain an "A-" grade point average over the last three quarters. Students eligible to apply must submit forms detailing their activities and services, their discipleship activities, a parent evaluation, and a self-evaluation. Once these forms have been submitted, teacher evaluations are completed as well. A faculty selection committee reviews all application materials and recommends students for induction based on a majority vote of the selection committee.

Selected students become members upon their induction. Students not selected are encouraged to apply the following year if they continue to be eligible.

Students inducted into the National Junior Honor Society are expected to maintain their "A-" average. Failure to keep the designated GPA will result in the member being put on probation. If the GPA falls beneath the "A-" average for two consecutive quarters the member may be removed from membership.

### **Parent/Teacher Organization**

Our school sponsors a Parent/Teacher Organization (PTO). This organization serves as an arm of the school, helping to foster communication between the school and home. It sponsors educational programs for students, parents and teachers; helps provide needed services to the home and school; and also does major fundraising for school projects. The PTO works closely with the principal and staff to provide needed assistance. The PTO is an organization which operates under the authority of the Principal.

### **Physical Education**

The physical development of each child is also a goal of St. John's Lutheran School. Therefore, all students are expected to participate in the scheduled P.E. program at school unless excused, in writing, by a parent or doctor.

Notes sent to excuse a student from P.E. class due to injury or sickness must be from a physician's office and contain specific dates for which the child is to be excused.

Appropriate clothing and footwear are expected for all physical education classes. All K-8 students must have a pair of **non-marking** shoes to be used exclusively in the gymnasium. All students in Grades 5-8 are required to purchase and wear P.E. uniforms. Uniforms may be ordered through the school office or Mr. Kalal.

### **Promotion**

All students are expected to achieve at least grade level proficiency in order to merit promotion to the next grade level. Classroom achievement, teacher evaluation, and standardized test scores are used to form the basis for this evaluation.

### **Retention**

Students who would benefit from a second year at a grade level are recommended for retention. This recommendation is based on teacher observation, test scores, classroom achievement, standardized test scores, and parent/teacher conferences. Parents will be informed sometime during the third quarter if this option should be considered for their child.

It is expected that most students will be promoted annually from grade-to-grade. In the few cases where retention may be an option, a teacher-principal-parent conference will be held to determine the appropriate grade level for the child concerned.

### **Report on Asbestos**

In accordance with the regulations of the Illinois Department of Public Health, we are required to inform you of the presence of material that contains asbestos fibers used in the mastic to adhere tile in the “old school” building. It does not constitute a health risk in this location since it is under the tile and bonded within the mastic. Your child’s health and safety is our utmost concern. St. John’s Lutheran School is committed to a policy of safety and to effectively managing asbestos on our campus.

### **School Hours**

The school office is open between the hours of 7:45 a.m. and 4:00 p.m.

### **School Calendar**

The school calendar is on Sycamore. This calendar lists all school holidays, early dismissal days, and other special events throughout the school year. We encourage you to check Sycamore throughout the school year. Changes to this calendar will be announced through the school newsletter and reflected on the calendar on Sycamore.

### **School Pictures**

Pictures of all students are taken each fall. This is an optional purchase; however, all students will be photographed. Price and package details will be sent home in a flyer before picture day. Retakes will be held a few weeks after the original picture day.

### **Standardized Testing**

Students in grades first through eight participate in the Measure of Academic Progress (MAP), a nationwide testing program. Results of these tests are communicated to parents when they are received. Other standardized tests are given on an as needed basis.

### **Technology**

St. John’s provides computers, networks and the internet as one way of enhancing its goal to teach skills, knowledge and behaviors students will need as successful and responsible adults in the community as a whole. The school’s computers and network connections provide opportunities to

explore and use a varied and exciting set of resources including computer programs, CD's and the Internet.

St. John's provides these technology tools under the supervision of school personnel to support and enhance the curriculum. The school requires that students who use the school's computers and networks will do so in a way that is consistent with its education and spiritual mission.

### **Telephone Calls**

Telephone messages received in the school office during school hours will be given to teachers. Teachers will then relay the message to the student when they feel it is appropriate. Please be aware that teachers do not always have the time to check voicemail messages so it is important to plan your child's after school activities and plans before they come to school. No student will be called to take a telephone call unless it is an emergency.

### **Weapons**

School is no place for weapons of **any kind**. At St. John's Lutheran School we strive to provide a safe and secure environment for our students, teachers and staff. If a student brings to school any type of weapon (knife, gun, explosive, etc.) and it is discovered, that student will be immediately suspended pending a meeting of the Executive Council to consider permanent removal from the school.

St. John's Lutheran School reserves the right to search a student's desk, locker, and personal possessions and, if deemed necessary, the person if information is received that a student may be in possession of such a weapon. Such searches have been declared by the courts to be constitutional, and do not violate or interfere with the student's freedom from unreasonable searches. Parents will be notified in the event that such a search took place whether or not a weapon was discovered during the course of such a search.

### ***The Principal will:***

1. Immediately notify a local law enforcement agency of firearm incidents at the school;
2. Immediately notify the parents or guardians of students in possession of firearms on school grounds, which include the real property comprising any school, on a public way within 1,000 feet of a school, or in any conveyance owned, leased, or contracted by a school to transport students to or from school or a school related activity within 48 hours of becoming aware of the incident;
3. Will notify the municipal police department or the office of the county sheriff of verified incidents involving drugs occurring in a school, on the real property comprising any school, on a public way within 1,000 feet of school, or in any conveyance owned, leased, or contracted by a school to transport students to or from school or a school related activity within 48 hours of becoming aware of the incident; and,
4. Will notify the Illinois State Police of such incidents through the School Incident Reporting System (SIRS)

### **Withdrawal from St. John's School after the first day of school.**

If you desire to withdraw your child from St. John's Lutheran School, the following procedures are to be followed:

1. The parent/guardian must inform the school in writing by the first of the month if the child will be leaving St. John's School during the upcoming month. The annual tuition obligation will be prorated, accordingly, with tuition due for the entire last month, whether or not the child is in attendance for the full month. Failure to meet the first of the month deadline will result in an additional month of attendance to be included when calculating the tuition obligation. Account balances must be paid in full and all school property returned by the final attendance day.

Refunds due to prepayment will be mailed to the family after the final attendance day. Fees for registration, education and technology are non-refundable.

2. All tuition and payment of any other fees should be current. Official school student records will not be transferred to another school if there are any outstanding charges.
3. Any library books are to be turned in. If applicable, all fines for overdue books paid.
4. All student-owned supplies and materials may be taken home on the day of withdrawal.
5. If the family is moving, a forwarding address is to be left with the school office.

### **Worship**

Regular attendance at church and Sunday school is an expression of Christianity in action. As part of the educational program of training the whole child, St. John's Lutheran School students are encouraged to attend worship services regularly. Church and Sunday school attendance is taken weekly and reported on the student's report card. Families receiving member tuition rates are expected to worship at St. John's Lutheran Church regularly. (See the Minimum Church Attendance Policy on page 7 review, sign and return, please read it carefully).

### **Yearbook**

A school yearbook is published yearly. The yearbook contains pictures of students, staff, athletic teams, school organizations, school events and activities, and day-to-day happenings of the school. Orders and payments for the yearbook will be taken in the fall. Extra yearbooks are rarely available, so please plan ahead.

### **Zero Tolerance**

The abuse of prescription medication or the use, distribution and sale of alcohol, illegal drugs or other intoxicants by students are strictly prohibited. Violations of this policy will result in immediate suspension pending a review to consider expulsion. State statute requires that St. John's administration report any instances of drug violations, firearm incidents and instances of battery committed against school personnel to local law enforcement officials, Illinois State Police and or the School Incidents Reporting System.

## **STUDENT SAFETY**

St. John's takes very seriously its responsibility to keep students, staff, volunteers and visitors safe while at school. In conjunction with the Lombard area first-responders a Crisis Management Plan has been developed and implemented.

This Crisis Management plan includes strategies for dealing with most circumstances including fire, tornado and other such natural events as well as school intruders, man-made environmental threats, bomb threats and other such situations.

Students are taught to respond to these incidents and behave accordingly. Fire, tornado and lock-down drills are held each year. The faculty reviews this plan and up-dates it as needed. Local authorities annually approve the plan and are often on site to observe drills.

You can help us keep everyone safe by:

- Observing and following guidelines about checking into and out of the building
- Helping to monitor doors - If you observe a door being propped open or unlocked please notify the office
- Always park in approved areas – keeping parked cars from obstructing fire-responders

- In the event of a lock-down or building evacuation please help us by not attempting to pick-up your child. Our plan also contains contingencies for the dismissal of students following such an event. During a lockdown, no one will be permitted to enter or leave the facility.
- In the event that we need to conduct an offsite dismissal students may be picked up at Sacred Heart School in Lombard. All parents will be notified electronically or by phone if such a situation arises.

A copy of the Crisis Management plan may be reviewed by parents. A copy is available in the school office.

### **Missing Student Report**

The Administrator and Administrative Assistant for St. John's are alert to flag records requests for any current, transfer, or former student reported as a missing person by the Illinois State Police. If a child reported as a missing person is attending the school, the administrator gives notice of this by email to the Department of State Police at [missing@isp.state.il.us](mailto:missing@isp.state.il.us), and to the local police department. If a child is listed as missing that the school believes should not be listed as missing, the administrator gives notice of this by email to the Department of State Police at [missing@isp.state.il.us](mailto:missing@isp.state.il.us), and to the local Police Department.

### **DCFS Mandated Reporter Status**

All St. John's staff are mandated reporters under the abused and Neglected Child Reporting Act [325ILCS 5/4] and are required to sign an acknowledgement thereof.

## **Academic Curriculum**

### **Pre-Kindergarten**

Our Pre-Kindergarten recognizes the need for providing an atmosphere in which we foster spiritual, social, physical, and mental growth in your young child. Knowing that children learn by being active, curious, confident, and by having divergent thinking, we provide many opportunities for varied learning experiences appropriate to the developmental level of young children. This learning will occur through daily activities, which include play, conversation, books, audio-visual materials, a wide variety of hands-on experiences, and incidental happenings.

### **Pre-Kindergarten goals**

- To acquaint children with Jesus and His Love.
- To help children establish themselves away from home.
- To broaden children's growth experiences in all areas.
- To help children get along with others.
- To help strengthen the relationship between family and the school and church.

### **Grades K-8**

St. John's Lutheran School has developed a curriculum that reflects the philosophy of the church and school. Our course of study is based on the Word of God and seeks to educate the whole child.

Our learning objectives not only meet, but exceed, the goals established by the State Board of Education. The curriculum complies with public Act 84-126 of the State of Illinois. This legislation defines the primary purpose of schooling as the transmission of knowledge and culture through which children learn in areas necessary to their continuing development: Language Arts, Mathematics, Biological and Physical Sciences, Social Sciences, Technology Education, Fine Arts, and Physical Development and Health. The state goals, developed by the State of Education for each of the six primary areas identified in the law, provide the minimum standard for our expectation of learning at the end of our educational program, Pre-K-8, St. John's Lutheran School.

In addition, our curriculum addresses Computer Education, Foreign Language, and Outdoor Education. Primary sources for the development of our curriculum were the Illinois Education Standards, Local Public School curriculum, and CPH One in Christ curriculum of the Lutheran Church-Missouri Synod.

The learning experiences and the resources to implement the curriculum are determined by our faculty and individual teachers, according to the needs of the students.

### **Fine Arts Education**

Our 1st through 8th grade students receive music and art instruction during the course of the school week. Participation in a musical performance is also a required part of our music education curriculum.

#### **➤ Band**

Students in grades 4-8 may participate in our school band program under the direction of the school music/band instructor. Parents pay a semi-annual fee that enables their child to receive a minimum of 14 small group lessons per semester in addition to 14 full band rehearsals per semester.

➤ **Piano**

Students in grades 1-8 may take piano lessons under the direction of our school pianist. Parents pay a monthly fee that enables their child to receive 1- 30 minute session per week. Lessons will be held before or after school.

➤ **Fine Arts Block (FAB)**

Students in grades 6-8 participate in FAB allowing students to choose a variety of courses by the semester. The purpose of the program is to maintain a high commitment to the fine arts, but also offer our students elective enrichment opportunities above and beyond the core curriculum. Some courses may require a full year enrollment, while others may only require a semester of attendance. Students who take a semester course must re-enroll for a new course at the start of the new semester.

➤ **Patriotism**

St. John's Lutheran School provides instruction in American Patriotism, the principles of representative government, the Declaration of Independence, the Constitution of the United States of America, the Constitution of the State of Illinois, and the proper use and display of the American flag. Students are required to pass an examination on these subjects in order to graduate from the eighth grade. Students daily recite the pledge of allegiance.

➤ **Foreign Language**

All students in grades 3rd-8th grade receive Spanish language instruction. Students in grades 6th-8th have the opportunity to study American Sign Language during after school clubs..

**Research Support - Computer Lab and Library**

Students have access to the computer lab during the day for a variety of research needs. Students in grades 6th-8th are given a Chromebook for use in research. Technology is emphasized throughout the curriculum every day and is integrated in subject areas. Additionally, we are pleased to offer our students a well-equipped and volunteer run library of books and resources. We maintain a library of over 3,500 books, and more are added each year through funding from PTO and book fairs. Students are allowed to check-out books for a two-week period.

**Outdoor Education**

A period of outdoor education is held each year at Walcamp for students in the 6th grade. The regular curriculum is adapted to outdoor activities with an emphasis on science and nature. An additional fee is charged for this multi-day experience away from home. This is a required program of St. John's.

**Physical Education**

A St. John's uniform is required for students in grades 5th-8th. Students must purchase the gym clothing through the school office and are required to provide their own gym shoes. This uniform is to be worn for all P.E. classes and other activities as directed by teachers. The cost of the uniform is indicated on the fee sheet available to parents during the summer.

**Sex Education**

In our Mission Statement, "We exist to equip members of God's family to extend Christ to the whole world", we recognize the importance of God's command to parents to equip their child for the world. It is the function of the school to assist parents in carrying out God's command. Our program of sex

education is consistent with this philosophy, in that it is taught from a Lutheran Missouri Synod perspective within the curriculum. In addition, as Christian teachers instruct students in other subjects, particularly religion and science, topics related to sex education i.e. reproduction and human development will occur as a natural part of the lessons and discussions. To help parents and teachers to be consistent in the information that is given at each age level, materials are available for check-out in the school office and parents are urged to use these materials with their children.

Grade 6 students have a two week sex education course specifically designed for children at that age. During Health class they read, discuss, and have open questions during this time. The book is “Sex and the New You” by Concordia Publishing House.

## **Enrichment**

### **Enrichment Philosophy**

At St. John’s, we believe that every child possesses God-given gifts, which are to be developed to His glory. To that end, we embrace a philosophy of education which seeks to target the gifts of each child at every grade level. We are committed to providing an enriching learning experience which addresses a variety of learning styles represented in our student population.

Throughout the grade levels, St. John’s employ specialists in several areas including art, music, foreign language, computer, library, and special education resource (LEAP). These professionals implement their own curriculum, and their lessons are often in conjunction with, or integrated into, the lessons which are taught by classroom teachers on a daily basis.

The Enrichment Specialist teaches and oversees a program of enrichment for each student in every class grades K-8, and also assists classroom teachers in incorporating enrichment techniques in their core curriculum lessons. This is especially used in the primary and intermediate grades.

Grades 6-8 are departmentalized in the areas of science, math, history/social science, and English/language arts. Additionally, the FAB program offers a wide range of electives so that students may explore different areas not generally researched in the core curriculum. (See Academic Curriculum).

St. John’s also offers a number of voluntary extra-curricular opportunities to enrich life experience beyond the classroom. Students in the primary and intermediate grades are able to take advantage of some of these, as age appropriate. As students advance through to the junior high, they are able to select from the full complement of sports, teams and organizations to develop their God given gifts. National Junior Honor Society, Student Council, Science Olympics, Destination Imagination DI, chess (also see FAB above)

### **LEAP**

Our LEAP teacher is certified in Special Education, who functions as a consultant to the teachers in the implementation of our curriculum. Our emphasis in this program is maximizing the potential of each students to learn. This is done with an emphasis on assisting the classroom teacher as well as a “pull-out” program. The LEAP teacher provides assistance for a particular student when appropriate and is responsible for contacting additional sources of help when necessary. The LEAP teacher may be contacted, along with other teachers for advice about learning methods or will be informed and consulted before additional help is sought.

The LEAP teacher acts as a liaison with the local public school district, which may provide limited additional help or testing. There is no cost for services through public school districts. A student who is determined by the classroom teacher, LEAP teacher and/or principal to need to “pull-out” remediation services to be delivered by the LEAP teacher, would be eligible for no more than 120 minutes of direct service per week, depending on caseload.

**Wellness Policies on Physical Activity and Nutrition**

**Preamble**

Whereas, children need access to healthful foods and opportunities to be physically active in order to grow, learn, and thrive;

Whereas, good health fosters student attendance and education;

Whereas, obesity rates have doubled in children and tripled in adolescents over the last two decades, and physical inactivity and excessive calorie intake are the predominant causes of obesity;

Whereas, heart disease, cancer, stroke, and diabetes are responsible for two-thirds of deaths in the United States, and major risk factors for those diseases, including unhealthy eating habits, physical inactivity, and obesity, often are established in childhood;

Whereas, only 2% of children (2 to 19 years) eat a healthy diet consistent with the five main recommendations from the Food Guide Pyramid;

Whereas, nationally, the items most commonly sold from school vending machines, school stores, and snack bars include low-nutrition foods and beverages, such as soda, sports drinks, imitation fruit juices, chips, candy, cookies, and snack cakes;

Whereas, school districts around the country are facing significant fiscal and scheduling constraints; and

Whereas, community participation is essential to the development and implementation of successful school wellness policies;

Thus, St. John's Lutheran School is committed to providing an environment that promotes and protects children's health, well-being, and ability to learn. All this is done by supporting healthy eating and physical activity. Therefore, it is the policy of St. John's Lutheran School that:

- St. John's will engage students, parents, teachers, and foodservice professionals in developing, implementing, monitoring, and reviewing school nutrition and physical activity policies.
- All students will have opportunities, support, and encouragement to be physically active on a regular basis.
- Foods and beverages sold or served at school will meet the nutrition recommendations of the *U.S. Dietary Guidelines for Americans*.
- St. John's will provide nutrition education and physical education to foster lifelong habits of healthy eating and physical activity. The school will establish links between health education and school meal programs.

**TO ACHIEVE THESE POLICY GOALS:**

I. Nutritional Quality of Foods and Beverages Sold and Served at St. John's Lutheran School

School Meals

Meals served through the National School Lunch will (***we do not currently participate***):

- be appealing and attractive to children;
- be served in clean and pleasant settings;

- meet, at a minimum, nutrition requirements established by local, state, and federal statutes and regulations;
- offer a variety of fruits and vegetables;
- serve only low-fat (1%) and fat-free milk and nutritionally-equivalent non-dairy alternatives (to be defined by USDA); and
- ensure that half of the served grains are whole grain.

Meal Times and Scheduling. St. Johns

- will provide students with at least 20 minutes after sitting down for lunch;
- should schedule meal periods at appropriate times, e.g., lunch should be scheduled between 11 a.m. and 1 p.m.;
- should not schedule tutoring, club, or organizational meetings or activities during mealtimes, unless students may eat during such activities;
- will provide students access to hand washing or hand sanitizing before they eat meals or snacks; and
- should take reasonable steps to accommodate the tooth-brushing regimens of students with special oral health needs (e.g., orthodontia or high tooth decay risk).

Qualifications of School Food Service Staff. Qualified nutrition professionals will administer the school meal programs. As part of St. John's responsibility to operate a food service program, we will provide continuing professional development for all nutrition professionals in the school. Staff development programs should include appropriate certification and/or training programs for cafeteria workers, according to their levels of responsibility.

Sharing of Foods and Beverages. St. John's will discourage students from sharing their foods or beverages with one another during meal or snack times, given concerns about allergies and other restrictions on some children's diets.

Elementary Schools. St. John's food service program will approve and provide all food and beverage sales to students in elementary schools. Given young children's limited nutrition skills, food in elementary schools should be sold as balanced meals. If available, foods and beverages sold individually should be limited to low-fat and non-fat milk, fruits, and non-fried vegetables.

Middle/Junior High. In middle/junior high and high schools, all foods and beverages sold individually outside the reimbursable school meal programs (including those sold through a la carte [snack] lines, vending machines, student stores, or fundraising activities) during the school day, or through programs for students after the school day, will meet the following nutrition and portion size standards:

Beverages

- Allowed: water or seltzer water without added caloric sweeteners; fruit and vegetable juices and fruit-based drinks that contain at least 50% fruit juice and that do not contain additional caloric sweeteners; unflavored or flavored low-fat or fat-free fluid milk and nutritionally-equivalent non-dairy beverages (to be defined by USDA);
- Not allowed: soft drinks containing caloric sweeteners; sports drinks; iced teas; fruit-based drinks that contain less than 50% real fruit juice or that contain additional caloric sweeteners; beverages containing caffeine, excluding low-fat or fat-free chocolate milk (which contain trivial amounts of caffeine).

Foods

- A food item sold individually:
- A choice of at least two fruits and/or non-fried vegetables will be offered for sale at any location on the school site where foods are sold. Such items could include, but are not limited to, fresh fruits and vegetables; 100% fruit or vegetable juice; fruit-based drinks that are at least 50% fruit juice and that do not

contain additional caloric sweeteners; cooked, dried, or canned fruits (canned in fruit juice or light syrup); and cooked, dried, or canned vegetables (that meet the above fat and sodium guidelines).

Fundraising Activities. To support children's health and school nutrition-education efforts, St. John's fundraising activities will encourage activities that promote physical activity. St. John's will make available a list of ideas for acceptable fundraising activities.

Snacks. Snacks served during the school day, in after-school care or enrichment programs will make a positive contribution to children's diets and health, with an emphasis on serving fruits and vegetables as snacks and water or juice as beverages. St. John's will assess if and when to offer snacks based on timing of school meals, children's nutritional needs, children's ages, and other considerations. St. John's will disseminate a list of healthful snack items to teachers, after-school program personnel, and parents.

Rewards. St. John's will provide food and beverage options to the students. These rewards will always give teachers and parents an alternative choice of food or beverage.

Celebrations. St. John's will limit celebrations that involve food during the school day to no more than three parties per class per year. Each party should include alternative choices for students.

School-sponsored Events (such as, but not limited to, athletic events, dances, or performances). All events will offer food and beverage alternatives.

### III. Nutrition and Physical Activity Promotion and Food Marketing

Nutrition Education and Promotion. St. John's aims to teach, encourage, and support healthy eating by students. St. John's will provide nutrition education and engage in nutrition promotion that:

- is offered at each grade level as part of a sequential, comprehensive, and standards-based program. It is designed to provide students with the knowledge and skills necessary to promote and protect their health;
- is part of health education classes, classroom instruction in subjects such as math, science, language arts, social sciences, and elective subjects;
- includes enjoyable, developmentally-appropriate, culturally-relevant, participatory activities, such as contests, promotions, taste testing, farm visits, and school gardens;
- provides fruits, vegetables, whole grain products, low-fat and fat-free dairy products, healthy food preparation methods, and health-enhancing nutrition practices;
- emphasizes caloric balance between food intake and energy expenditure (physical activity/exercise);
- links with school meal programs, other school foods, and nutrition-related community services;

Integrating Physical Activity into the Classroom Setting. For students to receive the nationally-recommended amount of daily physical activity (*i.e.*, at least 60 minutes per day) and for students to fully embrace regular physical activity as a personal behavior, students need opportunities for physical activity beyond physical education class. Toward that end:

- classroom health education will complement physical education by reinforcing the knowledge and self-management skills needed to maintain a physically-active lifestyle and to reduce time spent on sedentary activities, such as watching television;
- opportunities for physical activity will be incorporated into other subject lessons;
- classroom teachers will provide short physical activity breaks between lessons or classes, as appropriate.

Communications with Parents. St. John's will support parents' efforts to provide a healthy diet and daily physical activity for their children. Trinity will offer healthy eating seminars for parents, send home nutrition information, post nutrition tips on school websites, and provide nutrient analyses of school menus. St. John's will encourage

parents to pack healthy lunches and snacks and to refrain from including beverages and foods that do not meet the above nutrition standards for individual foods and beverages. St. John's will provide parents a list of foods that meet the schools snack standards and ideas for healthy celebrations/parties, rewards, and fundraising activities. In addition, St. John's will provide opportunities for parents to share their healthy food practices with others in the school community. (i.e.: April 2018 PTO Meeting with a Nutritionist)

St. John's will provide information about physical education and other school-based physical activity opportunities before, during, and after the school day; and support parents' efforts to provide their children with opportunities to be physically active outside of school. Such support will include sharing information about physical activity and physical education through a website, newsletter, or other take-home materials, special events, or physical education homework.

Staff Wellness. St. John's Lutheran School highly values the health and well-being of every staff member and will plan and implement activities and policies that support personal efforts by staff to maintain a healthy lifestyle.

#### IV. Physical Activity Opportunities and Physical Education

Daily Physical Education (P.E.) K-8. All students in grades K-8, including students with disabilities, special health-care needs, and in alternative educational settings, will receive daily physical activity for the entire school year.

(e.g., interscholastic or intramural sports) will not be substituted for meeting the physical education requirement. Students will spend at least 50 percent of physical education class time participating in moderate to vigorous physical activity.

Daily Recess. All elementary school students (through grade 5) will have at least 20 minutes a day of supervised recess, preferably outdoors, during which schools should encourage moderate to vigorous physical activity verbally and through the provision of space and equipment.

St. John's should discourage extended periods (i.e., periods of two or more hours) of inactivity. When activities, such as mandatory school-wide testing, make it necessary for students to remain indoors for long periods of time, the school will give students periodic breaks during which they are encouraged to stand and be moderately active.

Physical Activity Opportunities Before and After School. St. John's Lutheran School offers interscholastic sports programs. St. John's will attempt to offer a range of activities that meet the needs, interests, and abilities of all students, including boys, girls, students with disabilities, and students with special health-care needs.

After-school child care and enrichment programs will provide and encourage – verbally and through the provision of space, equipment, and activities – daily periods of moderate to vigorous physical activity for all participants.

Physical Activity and Punishment. Teachers and other school personnel will not use physical activity (e.g., running laps, pushups) or withhold opportunities for physical activity (e.g., recess, physical education) as punishment.

Use of School Facilities Outside of School Hours. School spaces and facilities should be available to students, staff, and community members before, during, and after the school day, on weekends, and during school vacations. School policies concerning safety will apply at all times.

#### V. Monitoring and Policy Review

Monitoring. The principal will ensure compliance with established St. John's nutrition and physical activity wellness policies.

The certified staff person will ensure compliance with nutrition policies within school food service areas and will report on this matter to the principal. In addition, the principal will report on the most recent USDA School Meals Initiative (SMI) review findings and any resulting changes. If the school has not received a SMI review from the state agency within the past five years, the school will request from the state agency that a SMI review be scheduled as soon as possible.

The principal will develop a summary report every three years on St. John's compliance with the established nutrition and physical activity wellness policies. That report will be provided to the school board.

Policy Review. To help with the initial development of the St. John's wellness policies, St. John's will conduct a baseline assessment of the school's existing nutrition and physical activity environments and policies. The results of those school-by-school assessments will be compiled to identify and prioritize needs.

Assessments will be repeated every three years to help review policy compliance, assess progress, and determine areas in need of improvement. As part of that review, the school will review our nutrition and physical activity policies; provision of an environment that supports healthy eating and physical activity; and nutrition and physical education policies and program elements. St. John's will, as necessary, revise the wellness policies and develop plans to facilitate the implementation.

## 2020 COVID 19/Pandemic Addendum

### St. John's Response to COVID-19

The commitment of our faculty and their dedication to the Christian education of your children has remained a priority during these uncertain times. As we enter the 2020-2021 school year, we will rely on information provided by the ISBE (Illinois State Board of Education), the CDC, and Governor Pritzker. The safety and well being of our students, staff and families remains a top priority as we navigate this pandemic. We will get through this together.

**COVID-19 Symptoms:** People experiencing the following symptoms, may have COVID-19: Fever/Chills, Cough, Difficulty Breathing/Shortness of Breath, Fatigue, Body Aches, Headaches, Congestion, Loss of Taste or Smell, Nausea/Vomiting and/or Diarrhea Symptoms may appear 2-14 days after exposure to the virus.

#### Daily Protocols (until further notice):

- Every student, staff and visitor at St. John's School must wear a mask while in the building.
- Every student, staff member and visitor at St. John's school must have their temperature checked. Anyone with a temperature reading over 100.4 should wait in the assigned waiting area to have their temperature re-checked. If temperature upon re-check is 100.4 or higher, a student's parent's will be called and asked to pick up their child; staff members will be sent home; a visitor will be asked to return at a later date..
- Parents of children who become sick during the school day will be expected to come as soon as possible to pick up their child.
- Students or Staff members who are experiencing COVID-19 symptoms should stay home. IDPH and CDC guidelines for *students who were suspected of having COVID-19, whether they were tested or not, states that 72 hours must elapse from resolution of fever without fever reducing medication and at least 10 days must pass after symptoms first appeared*, It is recommended that Students or Staff members who test positive for COVID-19 must have a doctor's note stating they are no longer contagious and that is is safe for them to return to school.

#### If We Have to go to Remote Learning

- Childcare -If we are unable to continue in-person learning, it is our hope that we will be able to provide in school *childcare* for those families who need a safe place to send their child(ren). We will provide social distancing and allow for students to engage in their remote learning sessions.

#### Tuition

- During remote learning, please understand that we still have necessary expenses (teacher salaries, maintenance, mortgage, etc). We rely on tuition for these expenses. If your child is participating in relearning, it is expected that you continue your monthly tuition payment.
- At some time during the 2020-2021 school year, like all schools, St. John's may need to transition to Remote Learning. Although our students will not be learning at school, we still feel that we will be offering our students a quality education. During Remote Learning, please understand that necessary expenses (teacher salaries and insurance, maintenance, mortgage, PPE expenses, etc) need to be paid. You are still expected to continue your monthly tuition payment.
- However, St. John's realizes that the pandemic may have caused financial hardship for some families. With this in mind, we want to make some allowance for families in the event that St. John's has to enter a Remote Learning situation. If a Remote Learning period this year (school year 2020-2021) extends beyond a month, a ten percent reduction in tuition

(per month for the duration of remote learning) will take place for our families. If families have paid tuition in full, that money would be refunded. For families that pay tuition monthly, your account would be credited accordingly. If you are receiving tuition assistance, your tuition will remain the same.

- St. John's School realizes that the current pandemic has caused financial hardships for some families. Sadly, we understand that the pandemic may have also resulted in some families choosing to withdraw their child(ren) from our school for the 2020-2021 school year. In some cases, these families are confident that they will return to our school for the 2021-2022 school year. We truly hope this is the case, and we pray that any of our families who need to leave, will return to our school for the 2021-2022 school year. To that end, we will honor those families who were granted "grandfathered" tuition rates in the 2019-2020 school year if they return to our school this year or next school year.. We are happy to extend this courtesy to our faithful St. John's families for up to one year (through September 1, 2021) Please keep the ministry of St. John's in your prayers throughout this time, as we will continue to pray for each of you as well.

We hope this gesture, if necessary, shows that we appreciate your partnership as we work together to do what is best for your children every day.
