URGENT COVID UPDATE

We are following IDPH and DuPage County Health Department regulations regarding the mitigation protocols for COVID. We communicate with the Covid 19 Team at the County weekly, to remain up to date with our procedures and policies regarding quarantining students and staff at St. John's. Therefore, it is imperative that if anyone in your home feels any symptoms and/or if anyone in your home is awaiting COVID test results you should **KEEP YOUR CHILD(REN) HOME!** keep this virus from entering our school. Contact the school office as soon as possible and let us know what is happening. Your information will be kept confidential; and our teachers will work with your child(ren) to make sure they are getting their assignments. Please keep us aware of any contact your child has with a COVID positive person.

Stay home if you have any cold or flu symptoms, if you have a fever, if you feel sick...We are working extremely hard to keep this from affecting our school in a negative way, and we need everyone's help. Thank you
