### EAGLE NATION

We are coming to the end of our second quarter at St. John's. The end of our second quarter is on Friday, January 22nd. Please encourage your student(s) to finish the quarter strong.

As many of you are aware, we are continuing our enrollment for the 2021-2022 school year. If you haven't already done so, please make certain to enroll your child(ren) for next year. Some of our classes are filling up quickly. We do have room for additional students. Our current families are our best and strongest ambassadors for our school. If you know of any friends or family looking for a different school to send their child to, please encourage them to consider St. John's. Mrs. Milas ([kmilas@sjleagles.com](mailto:kmilas@sjleagles.com)) would love the opportunity to talk with them about our school. We would love to have them join us.

On Monday, we remember and celebrate the birthday of Martin Luther King Jr. As a reminder, we will not be in school on Monday, January 18th. We will see all the students on Tuesday, January 19th.

Enjoy your weekend,  
Mr. Kalal

### Lutheran Schools Week

We will be celebrating Lutheran Schools Week the week of January 24th. Please make certain to check with your student(s) and the parent bulletin for activities that will be taking place during this special week. We are excited for this opportunity to celebrate St. John's!

### **ENROLLMENT TIME AT ST. JOHN'S**

We have opened enrollment to the community. However, we don't want any of our current students to lose their spot in our school. We are happy to report that we have been getting a record number of enrollment inquiries and returned forms – THANK YOU! If you have not already done so, please complete your registration form and return it with your non-refundable deposit. Unfortunately, we cannot hold your child's spot without the form and deposit. If you have any questions, please call Mrs. Milas or Mrs. Salzman in the office.

### **COVID REMINDER**

We are following IDPH and DuPage County Health Department regulations regarding the mitigation protocols for COVID. We communicate with the Covid-19 Team at the County weekly, to remain up to date with our procedures and policies regarding quarantining students and staff at St. John's. Therefore, it is imperative that if anyone in your home feels any symptoms and/or if anyone in your home is awaiting COVID test results you should **KEEP YOUR CHILD(REN) HOME!** keep this virus from entering our school. Contact the school office as soon as possible and let us know what is happening. Your information will be kept confidential; and our teachers will work with your child(ren) to make sure they are getting their assignments. Please keep us aware of any contact your child has with a COVID positive person.

Stay home if you have any cold or flu symptoms, if you have a fever, if you feel sick...We are working extremely hard to keep this from affecting our school in a negative way, and we need everyone's help. Thank you
