

St. John's Lutheran School PARENT BULLETIN

MARCH 07, 2024

WHAT IS PROJECT 300?

Project 300 is a group of volunteers dedicated to growing the ministry of St. John's Lutheran School. Did you know that the school has a comfortable capacity of 300 students? Our goal is to fill the school in three years, but with God's help, it can be done sooner. And that is where you come in. We need two things from you.

First, we need your prayers. Pray to fill the school. Pray that the Holy Spirit leads the teachers and staff. Pray for new students and parents to find our school. Pray for our current students and parents. Pray for our church as well as the school. Pray BIG!

Second, we need you to spread the word about St. John's. Jesus tells us to "go and make disciples of all nations." Can you share St. John's Lutheran Church and School with three people this month? In the school office you will find 5x7 cards please pick up two or three to share with family, friends, or neighbors.

Project 300 thanks you for your continuous support of the school ministry and is excited to see what God has planned as we celebrate our 135th year this 2024/2025 school year.

God's blessings!

Christina Noellsch - Admissions Director

MARY MARTHA

Mary Martha **invites everyone in the congregation to join us on Monday, April 1 at 6:30 pm in the Fellowship Hall** as we welcome Lexi Schmidt from LINC. According to Lexi, **“LINC exists to raise up leaders so that our cities will know Jesus.** Chicago is a diverse and beautiful place; a global city with over 100 nations represented. However, Chicago has all of the same problems that plague major cities. There are leaders here who see something missing in our beloved city - HOPE in Jesus. **LINC empowers an army of local, Gospel-focused leaders to engage the issues of today.** Practically speaking, this looks like new churches reaching unreached people, nonprofits engaging the societal issues of today, and innovative businesses that bring hope and sustainability- all led by local mission-minded leaders right here in our communities.” Social time is from 6:30-7:00; a brief business meeting will follow with the program beginning at 7:15 p.m. All are welcome. Please contact Tiffany Olson, Mary Martha president with any questions at 213.840.4166.
