ONE THING.....*Luke 10:42*

St. John's would like to announce that Nora Holler has decided (end of June 2020) to retire from St. John's Lutheran School as Grade 5 teacher.

We want to wish Mrs. Holler much happiness in her retirement and thank her for the many years of service and numerous contributions she has made to St. John's School and Church, the Northern Illinois District and the Lombard community.

Mrs. Holler has served St. John's since 1995, which make this her 25th year of service! It has been an honor and a pleasure to get to know her both professionally and personally. On both accounts, we hold her in high esteem. Indeed, Mrs. Holler is not only a caring individual but a professional educator in every sense of the word. Mrs. Holler will leave behind a legacy of excellence. The faculty, staff, congregation, parents, and especially the children, will miss her.

It is our sincere hope Mrs. Holler's retirement will bring years of joy and fulfillment spending time with her grandchildren in Florida. We wish her God's richest blessings and look forward to serving with her the remainder of the school year.

Thought of the Week

Experience is not what happens to a man.

It is what a man does with what happens to him.
